Thanks Cindy. I was on vacation Monday and Tuesday and down to New Bedford Wednesday and Thursday so I've been a little out of touch.

Are you in today? I was going to come down to see you anyway we can talk about this and other topics. Short answer is, it's her do internally August 4; Tentative date of comments to state August 11. I don't have the garry cross reference yet I'll see if I can get it today thanks for the reminder.

Has there been any action on the AVX Phase III submission? That is, is there a plan on how we will review and provide comments to MassDEP? Also, Dave L. you mentioned Angela was waiting for a letter from Gary in which he was to identify the sections of the submission that respond to MassDEP's February determination on the initial Phase III submission. Do we have that yet?
